13th April 2021

Dear Parents/Carers,

It was fantastic to see your children back at school again today, for the first day of what should be a relatively normal term. Thank you for remembering to follow the one-way system, using staggered drop off/pick up times and for wearing a mask on school grounds.

In today's assembly, I explained to all the children in Years 1 to 6 that we are looking for excellent behaviour this term. Unsurprisingly, one of the effects of the lockdowns in the recent past has been that some of our pupils have got out of the routines and habits of being at school.

Excellent behaviour at school is one of the necessary ingredients for children to make as much progress as possible with their learning. We will be giving positive praise to children when they behave well, and reminding them what behaviour we expect when necessary.

Finally, could I please remind you of the need to park legally and considerately when you drop off/collect your children at the school. If possible, it is even better if you could walk for part or all of the journey.

Yours faithfully,

G. Holmes
Head Teacher
