Dear parents and carers

We have been asked by Herts County Council to forward the attached letter to all parents and carers.

The letter includes information about the way that parents and carers can now take twice weekly lateral flow tests. All primary school staff have been completing these tests for a few weeks now, and it would help to keep everyone safe if you were able to start doing this too. As the attached letter says, you can pick up a home testing kit from a local site or order online.

Please note that you cannot pick up a kit from the school.

Visit www.gov.uk/order-coronavirus-rapid-lateral-flow-tests for more information.

Regards,

G. Holmes
