10th March 2021

Dear parents & carers,

A big thank you to those parents / carers who are following our Covid-19 guidelines for drop off and collection, helping to keep everyone safe.

Unfortunately, we do still have some parents / carers arriving too early or late for their drop off times, which means that more parents / carers are on site for longer and in closer proximity. Children should be accompanied by one adult only wearing a mask and keeping to the 2M distancing rule. If you arrive too early for your drop off time please wait outside the school grounds.

If you have more than one child, please use the earlier start time and finish time for both siblings. If you are late in the morning, please wait outside the school grounds, for example in your car, and call the school office to find out an appropriate alternative drop off time.

We would also like to remind parents to leave the school premises as quickly as possible, without congregating at school exit points, blocking pathways and safe access for other parents.

We appreciate that everyone is very excited to be back, but to keep us all safe please try to keep to these rules.

Yours faithfully,

Mr G Holmes
Head Teacher
