Weston Primary & Nursery School continues to be a good school.

OFSTED Inspections 2023.

*‘Pupils at Weston Primary and Nursery School are **kind and considerate**. They care for each other. The oldest support the youngest in social time and in lessons. Children in Reception and Nursery learn to **take turns** and **share** with each other. Pupils are **enthusiastic** about their learning. This includes those with special educational needs and/or disabilities (SEND). They are **proud** of their work and talk*

about what they have learned. Pupils respond well to the routines and **high expectations** that leaders have for their behaviour. At play and breaktimes, pupils play together and **respect** one another. Bullying is rare. When it does happen, pupils know that staff will deal with it quickly. Pupils are **safe**. Many pupils attend the wide range of clubs on offer throughout the school year. There is a **strong sporting ethos** within the school. Pupils **enthusiastically** take part in the sports competitions that take place between schools and within the houses in school. Pupils vote to elect their representatives on the school council. This helps to develop their understanding of **democracy**. They also choose the **charities** that the school supports and discuss some of the events held in school.'
