8th January 2018

Dear parent or carer

Today all of our children have been given some information about the issue of stranger danger either in assembly, or in class. This is because we have received a report of a black BMW car behaving suspiciously in a village not too far from Weston. The report suggests that the driver asked a child to get into the car but that she refused, ran off, spoke to another adult and remained safe.

The PCSO, Chris Braybrook, is being informed of this incident.

Please could you discuss with your child the best ways to keep themselves safe from this type of potential problem. You may find it helpful to refer to the assembly PowerPoint which is available on our website (<http://www.weston.herts.sch.uk/useful-links/>). Thank you.

Yours faithfully

G. Holmes
Head Teacher
